Healow App- Installation/Set-Up

Install the Healow app from the App Store or Play Store on your phone or tablet. *It's free!*

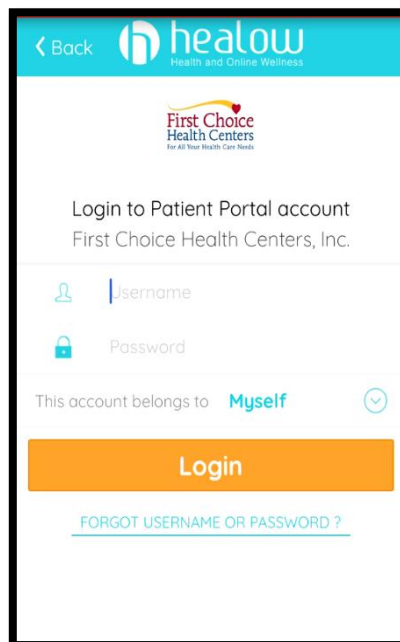

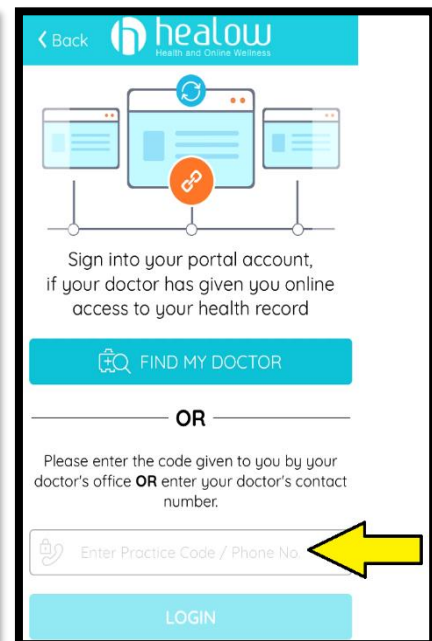

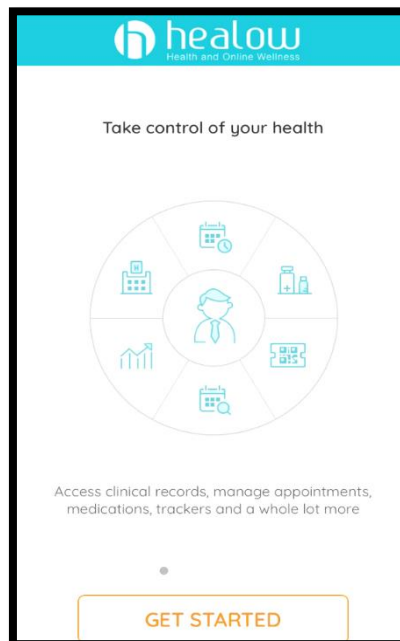

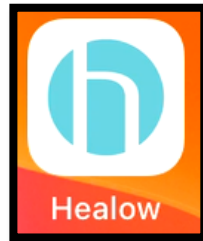

Once installed, open the Healow app.

Click "Get Started" and enter our Phone Number to connect with First Choice Health Centers

860-528-1359

Enter your Username and Password.

This information is provided when you are "web enabled" by our FCHC Staff.

Click “OK” when asked to access your Camera and Microphone.

You will not be able to participate in TeleHealth without this access.

If you accidentally click “Don’t Allow”, you will have to change this from your **phone’s settings**, not in the Healow app.

You are now in the Healow app!

You can see your upcoming appointments, medications, and lab results. You can also request refills and send us a message.
