

August 3, 2022
From: Liana R Tierney, DNP, APRN

Dear Patients & Families,

It is with regret that I inform you that I will be leaving First Choice Health Centers effective **09/24/2022**. I will be moving to Western New York where my family is located. It has been a great honor to be a part of your behavioral and mental health care all these years.

First Choice Health Centers is working to bring new providers with pediatric behavioral health expertise on board. In the meantime, my colleagues, Dr. Cipriani and Dr. Yuen, will be working together to cover any medication refills.

We want to make this transition as easy as possible. You may schedule a visit with me before my departure to discuss your care needs and to ensure a follow up plan is place.

Please be advised, your medical records are confidential, and a copy can be transferred to another provider or released to you or another person you designate only through your permission. If you choose to see a different provider outside of First Choice, please contact us to assist you with the release of information process.

Best wishes for your future health.
